Hillsboro, Pocahontas County, Items.

S. J. Payne has finished a logging job of 70,000 feet of oak and pine near what is known as the Bass Rocks on Greenbrier river. The Bass Rocks, so named from being a favorite haunt of the black bass fish, are noted for their environment of beautiful scenery. Great cliffs stand sentinel-like, their sides and summits decorated with moss, clinging vines and the rich green of the pines, while below them the music of the rippling water falls upon the ear in enchanting harmony. The fame of the Bass Rocks as a deer stand has reached far and wide in this section of country—more deer having been killed there than at any place on the river. About eight years ago the writer, hearing of a deer chase went to the Bass Rocks and found Thomas Rigsby on the stand.—After waiting, perhaps, an hour the voices of the hounds were heard making

both hammers of his shotgun, which was heavily charged with buckshot. Suddenly a great splash in the water announced the fact that a large buck deer was in the river and coming directly toward us. Mr. Rigsby waited until he came within easy range and inadvertently discharged both barrels of his shotgun at the same time, receiving for his indiscretion a rebound from the gun, which knocked him senseless and bleeding to the ground: the deer, pierced by a dozen shot, bounded in the air and dropped dead on the rocks within a few feet of the old man, who was seemingly dead. He, however, soon became conscious, and staggering to his feet and wiping the blood from his cut and bruised face, said: "I'll never load 'er that way again."

The corporation election held here on the 5th day of January resulted in the election of the following officers, viz: Mayor, Dr. C. W. Eskridge; Recorder, J. H. Clark; Councilmen—James K. Bright, E. I. Holt, S. J. Payne, W. M. Burns and G. L. Clark.

We have been having some extremely cold weather—the coldest we have had in many years. The snow is 26 inches in depth here, and in the Cranberry and Black mountain country, from 3 to 3½ feet. On last Friday morning, the 10th, the thermometer registered 21 degrees below zero, and to-day, the 12th, is still very cold and the snow drifting so badly as to render some of our roads impassable. Not a few persons have had their feet and ears badly frozen. G. L. Clark's dog, which he highly prized, was found dead in his kennel—frozen stiff. It is thought that small game of the feathered tribe have suffered greatly. The ground hog prophets are all loud in their expressions of "I told you so! I told you so!"

Guy Slaven and Oscar Slaven, of Kansas, arrived at Marlinton on last Saturday, where they were called to attend the funeral obsequies of their mother, Mrs. Mary Slaven, who died very sud-

On last Friday, Saturday and Sunday the thunder rolled, the lightning flashed and the rain poured down in torrents. Wells, cellars and ponds overflowed, and the plankwalk on Nicholas street was completely submerged for a hundred yards or more. The small streams rushed madly down the mountain sides, in some places carrying fences with them. Greenbrier river was greatly swollen and nearly up to the watermark of last summer. Great anxiety was felt by those living near it at this point until it began to fall Sunday evening.

An epidemic of chickenpox and mumps has spread to a considerable extent in this neighborhood, causing some sickness and a great deal of discomfort.

Va., the building of a large plant for the manufacture of pulp there and the building of a railroad from Caldwell north through the counties of Greenbrier and Pocahontas. The value of this railroad to Pocahontas county will be incalculable. The county is now forty miles from a railway station. The road if it follows the Greenbrier will about halve the county, and give it railway facilities no other county in West Virginia possesses. The county is about 60 miles long by about 20 miles wide and Greenbrier river divides it into two nearly equal portions, and this will place every citizen of the county within at least ten miles of the railroad and place more actual miles of railway

Luke, Treasurer and Manager of the West Virginia Pulp and Paper Company. The new Greenbrier plant, work on which has commenced, will be at Caldwell, not far from Lewisburg, on the line of the Ches. & Ohio Railroad, and within six miles of the White Sulphur Springs, in West Virginia. We have been informed that a move is now on foot to stack forty million feet of lumber on the streams of Sugar creek, Kerr's creek and other tributaries of Williams river. Operations will begin at once. Supplies will, in all probability, be brought from Hot Springs, Va., a distance of fifty miles. It has been reported that Samuel Gay has secured the contract for the hauling, and that James Sheets will furnish feed for the camps. John R. Butler has contracted for the building of roads, which will cost about \$5,000. H. Nathan has been engaged to repair the big dam on the river, which has not been operated for twelve months. When he gets through repairing the dam, he will go to Chicago to purchase stock for W. G. Gray, foreman for the Gauley Co. It will require 50 teams and 300 men to complete the work for next spring's drive. The contract for the year's furnishings will amount to about two hun-

drive. The contract for the year's furnishings will amount to about two hundred thousand dollars, fifty per cent of which will be expended for farm produce, and will create a market for hay: grain, meat, butter, eggs &c., which should be confined to this county. Our farmers should make an effort to furnish what ever supplies may be needed and thus secure the money that would otherwise go out to other places, "Strike while the iron is hot."

W. J. Killingsworth, of Marlinton, was at the Big Dam last week. W. W. Mays is hauling lumber for it, and Harvey Snyder is rafting the lumber down the river. A road has been cut out from Grays camp to the dam under the directions of J. W. Bonner who is the General Manager of the Gauley Co. Quite a number of Contractors are expected this week. We hope this big enterprise, the establishment of the Pulp and Paper mill at Caldwell, and the building of the railroad up the Greenbrier river are not decoy's to catch the unsuspecting, and that our

It is with pain that we announce the death of Henry W. McNeil, youngest son of Capt. W. L. McNeil, which occurred at his home here last Monday morning. He had contracted a cold which terminated in a bad case of pneumonia which resisted every effort of his physicians to alleviate. Mr. McNeil was in the 28th year of his age, and a young man of many excellent traits of character. He was a successful farmer and financier, and his life was ever characterized by deeds of kindness and generosity. No one ever asked Henry McNeil for a favor that he did not grant, were it possible. Everybody liked him; he had no enemies. His death has cast a gloom over the entire community. The bereaved family and the large circle of sorrowing friends have the deep sympathy of every one. Camping Parties.

Two camping parties left Greenbrier this week for Pocahontas county. The first consisting of Prof. Howard Arbuckle and wife, Sandy Arbuckle, Miss Mary Caldwell, Misses Julia and Emily Arbuckle. Annie and Lula McLaughlin and some others, whose names we did not get left Tuesday morning for A. M. McLaughlin's place on Elk, and will be gone some days. The second party left Lewisburg yesterday morning for Marlinton and will camp ten days or more on Knapp's creek, in the vicinity of the county-seat. This party is made up as follows: Misses Mary E. Mathews, Mary M. McClung, Katie Venable, Mattie Porterfield, Nina Holt, Janie Price, Emma Brown, Nellie Alderson, Emma Beard, Dottie Mathews, Daisy Feamster, Berdie McLynn, Mamie McChesney, Lillian Moffett, Carrie Stratton, and chaperones—Mrs. W. D. Slaven and Miss Nannie McVeigh—and Messrs. W. D. Slaven, Mason Bell, Kent Snyder, Arthur Melyville, John McClung, H. L. Van Sickler, Fred Wallace, Wythe Kinsolving, John Dice, Chas. S. Dice. Those joining the party in Pocahontas will be Miss Anna Wallace, Dr. Winters McNeel, Dr. Harry Beard, Frank and Forest Hill, Jake Beard, Frank R. Hunter and others. Mrs. Rose Mathews and her sister, Mrs. Keone, accompanied the party to Marlinton, but will return to-day.

told his wife he would walk about some and maybe he would feel better. He started down the road toward Mill Point, and had gone but a short distance when he sank down and expired without a struggle. His death was caused by heart failure. He had been suffering from heart disease for quite a while. He was about 35 years of age, and stood high in the estimation of all who knew him. He operated Isaac McNeil's steam flouring mill at Mill Point for a number of years, and was an expert at running and keeping in order all kinds of machinery. A wife and two children survive him.

However it has been a notable season
for the bee-farmer, and the stores of
honey secured are great. One hive, be-
longing to the writer, yielded a surplus
of 112 pounds, and three others about
84 pounds each. James Gibson, on Elk,
secured 1,200 pounds. Those who have
a sufficient number of colonies consider
it a fortunate circumstance when bees
show no disposition to throw off swarms
and thus devote their full strength to
the storage of honey in the parent hive.

Allen R. Kinnison closed with the
railroad company for the right of way
at \$2,040; the company is to build him
a road out, and he is to release his right
to fences. He owns a long, narrow
farm on the banks of the river, the bot-
toms being something like three to five
hundred feet in width and over a mile
long. He is a good farmer and has his
place in a good state of cultivation.—
The center of the line runs through his
house, which is a comfortable residence
of a story and a half, and over which he
he has trained the finest grapevine in
the country. The line also takes about
half a mile of his private road. He will
build a road up the mountain and out
through Alvin Clark's place. The right
to fences, which he released to the rail-
road, is estimated to be equivalent to
\$1,500.

It becomes our painful duty to chronicle the death of Miss Mollie Kinnison, which occurred at her home near here on the 29th of last month in the 20th year of her age. She had been in feeble health for a year or more, but notwithstanding that fact her death came suddenly and unexpectedly to her parents, they never thinking that death was so near, although having been previously warned of the seriousness of her condition by the family physician, Dr. F. T. McClintic. She was the second daughter of Allen R. Kinnison and a most estimable young lady. Her spotless character, admirable disposition and unceasing devotion to life's noblest duties won for her the love and esteem of all who knew her. Her remains were interred in the Oak Grove cemetery in the presence of a large number of sorrowing relatives and friends.

AT Marlinton, on the 4th. an exciting episode occurred in the court room which for a time interfered with the administration of the public business. It appears that Enos Sharp, a disputable fellow, who had served a term in the pen, had threatened to give away the secrets of a gang of thieves operating on upper Knapp's creek and suspected of stealing and driving off sheep, cattle and other stock from the county. It was also said that Sharp would give evidence tending to show that this gang, or some of them, was guilty of a murder that had occurred in the county some years ago. Seeing Sharp standing at the door of the grand jury room waiting to be called. Scott Keeley, supposed to be one of the gang, lit into him with a buggy whip frailing him most unmercifully over the head. Sharp, frightened out of his wits, took refuge

most unmercifully over the head. Sharp, frightened out of his wits, took refuge in the main court room where a trial was in progress, Kelly being in hot pursuit, swearing like a trooper and plying the whip with tremendous energy. Hoping to escape, Sharp ran into the Judge's private room, Kelly still after him with the whip. Unable to escape he ran out again into the main court room and there Deputy Sheriff, Forest Hill, and several others seized hold of Kelly, threw him to the floor and after a severe struggle, got the whip from him by breaking it to pieces. He was taken to jail and the next day the judge sentenced him to 30 days confinement in jail for contempt of court. Jack Hook, who seemed to be backing Kelly in the assault upon Sharp, was on the latter's motion bound in the penalty of \$500, to keep the peace, Sharp swearing that he feared Hook intended to do him bodily harm.

G. W. Graves, Alderson, W. Va.

DEAR SIR—The Geiser Taction Steam Engine and new Peerless Separator bought of you last summer moved itself from Ronceverte and all over Pocahontas county without the aid of a single horse. I thrashed 20,000 bushels of grain and could have done as much more but the grain was not in the county. I am delighted with it. It makes money for me, and saves the wheat and cleans it better than any machine that was ever in the county.—All the farmers are delighted. No thrasher man should buy any other.

Yours Respectfully,

G. W. Graves, Alderson, W. Va.

DEAR SIR—The Geiser Traction Engine and new Peerless Separator were run by John Cleek in this section last season, (1892) and gave entire satisfaction to all the farmers. It moved itself over the rough roads and with ease and without any assistance. I have been running the mill for several years at this place and have to grind grain thrashed on all the machines and can say that none has come nearer cleaning the grain ready for the roller than does the Peerless. In my opinion the Peerless and Traction Engine is the machine for the farmers, thrashermen and millers of the country.

Yours Respectfully,

R. V. PERKINS.

Drowned in Greenbrier River.

Last Saturday afternoon, the 17th inst., Mr. Wallace Moore, book-keeper for Col. Driscoll, at Ronceverte, went bathing with a number of friends in Greenbrier river. After swimming about for awhile, he suddenly sank and did not rise. His friends succeeded in getting him out in a few minutes, and every effort was made to bring him back to life, but without success. The doctor could discover little or no water in his lungs, and came to the conclusion that he died of heart failure. He was from Pocahontas county, and a son of the late Rev. James E. Moore. His body was taken to his home in that county last Monday, by Mr. Geo. Law, accompanied by Rev. W. H. Ballengee and wife, of Ronceverte, for burial.—Mrs. Ballengee is a sister of the deceased.

We were visited last week by an old-fashioned snow squall which shook our domicile from centre to circumference, and sifted snow in through every crack and cranney, and nipped our lettuce, turnip greens and wild flowers. It was of short duration, however, and with the exception of cold and frosty nights, the usual fine weather prevails.

The protracted meeting which Rev. Wm. E. Miller, of the M. E. Church, South, commenced at this place two weeks ago has resulted in the conversion of 30 souls. There are six penitents at the altar now and great interest is manifested. May the good work go on.

On the 14th inst., at the residence of the bride's parents, in Huntersville, Mr. Joseph McNeil and Miss Mary Curry were united in marriage by Rev. W. E. Miller.

Mr. Sherman Kellison, while chopping wood for Mr. D. C. Hill, came near severing his left foot from the leg. The axe struck his foot on the outside near the ankle, cutting back into the ankle and making a frightful wound. He was attended by Drs. Larue and Wallace. They think in all probability

Some of our people are very much alarmed over a report one of our citizens brought in from the rural districts recently. He claims that while out hunting on the 2nd inst., he bagged a ground-hog in the full glare of the noon-day sun. We think the carcass might have been brought in and put on exhibition, but as there is considerable snow on the ground now and the mercury nearly down to zero, we take it for granted that the little weather prophet was out, saw his shadow and received a death wound from the hands of the huntsman, We are sorry it ever entered the mind of our neighbor to engage in hunting on the 2nd day of February, as we consider the killing of a ground-hog on that day, (in bright sunshine,) the forerunner of dreadful storms and bad luck generally. Whereas we were cheerful and happy, we are now

On last Wednesday your correspond-
ent with many others witnessed the in-
teresting spectacle of three large rafts
of ash and cherry lumber floating down
Greenbrier river. It was a sight worth
looking at, and as one gazed at the huge
fleets rising and falling on the wild
waves, the power of water and the labor
and ingenuity of man were forcibly
brought to mind. The rafts belonged
to Messrs. W. H. Overholt and C. W.
Callison, and were safely piloted and
landed in Ronceverte by Messrs, C. W.
Callison, John Callison and Wm. Gum.
The one manned by Mr. C. W. Callison
contained 35,000 feet, the largest raft
that has ever gone down the Greenbrier.
Your correspondent had the pleasure
of making the trip with Mr. Gum, and
found him a very efficient pilot. There
is considerable labor and danger in-
volved in running a raft, but notwith-
standing that a bad mishap hardly ever
occurs, Going down we were struck
with the beautiful scenery along the
river. Every little while one meets

no lover of nature can soon let die.

It is with pain that we announce the
death of Mr. Jacob McCarty, which oc-
curred at his home near here on the 8th
inst. He died of pneumonia, and was
about 70 years of age. He was an hon-
est upright man, and leaves many
friends to mourn his loss. The be-
reaved members of the family have the
sympathy of the entire community.

James Lee and Allen Pryor, two aged
colored men, died last week, near
Mill Point, of la grippe.

Mr. Sherman Kellison, who cut his
foot badly with an axe some time ago,
had to have it amputated last week, and
is now lying in a critical condition.

There is more sickness here now than
we have had for many years. One-

There is a great deal of sickness here, and some have been called to cross the dark river of death. Mrs. Mary Overholt, mother of our esteemed townsman, Mr. W. H. On the 4th inst. an infant son of Mr. Wm. and Mrs. Eveline Miller died of congestion, aged 11 months.

On the 3rd inst. James Baldwin, colored, died of consumption, aged about 34 years.

Mr. Stuart Boggs, who was working for Messrs. Whiting & Denning, had the bone of his left thigh broken, on the 3rd inst. He was attending to a log slide, when one of the logs running on it, gained such an impetus that it jumped from the slide, striking him on the thigh with the above result. Dr. F. T. McClintic set the broken limb, and reports the sufferer doing well.

Mr. Geo. Hill sold his farm recently to Mr. J. B. Kennison for \$6,400.

but once or twice more, as he will be assigned to a new field of labor. During the four years that he has been with us he labored faithfully for the Master's cause, and was instrumental in accomplishing much good. But a short time ago he conducted two of the greatest revivals of religion we have had in many years. He has won his way to the hearts of the people and made many warm friends who are loth to part with him. The best wishes of the whole people will go with him to his new home.

Our townsman, Mr. J. R. Marshall, has rented a farm in Renick's Valley, Greenbrier county, and will move on to it soon. Mr. Marshall and family have resided in our town for about 10 years and have made many friends.— We regret very much to see them go away, and wish them happiness and prosperity in their new home.

Mr. Wm. Hill will leave in about two weeks for Kansas, where he will remain next summer, and, then, go on to Washington and locate permanently.

It is with a sad heart that we announce the death of Rev. M. D. Dunlap, which occurred at his residence near here on last Tuesday morning, the 24th ult., in the 83rd year of his age. He passed peacefully away, his last hours being attended with but little suffering.— Death resulted from kidney trouble and general debility, occasioned by old age. He leaves no family, his beloved wife and two children having gone on before. He leaves, however, a large circle of sorrowing friends and relatives here and in Monroe county.

Mr. Dunlap was born in Augusta county, Va., in the year 1809. At the age of 25 he graduated at Washington College with high honors, and was shortly afterward ordained as a minister of the Southern Presbyterian Church.

ing which time he also attended to his duties as pastor of the Oak Grove Presbyterian Church. As a teacher he gained great distinction and was the founder of the old Academy, one of the finest institutions of learning near here in that day, and from which the post-office at this place derives its name.

During his ministry, which covered a period of 40 years, he espoused the cause of his Master faithfully and zealously, and the Church prospered in his hands. How many of us remember the old brick Church that stood a mile south of here, and the able and stirring sermons that fell from the lips of Mr. Dunlap. He was one of the most exemplary christians we ever knew. If there ever lived a man that showed by his daily walk and conversation that he was trying to lead a true christian life

One day last week Mr. Madison Woods' house caught fire from a defective stove pipe, but fortunately the fire was discovered before it had made much headway and put out with but little damage to the building.

Mr. Samuel Sheets, the young man who had his leg taken off week before last, is doing very well. He is under the care of Dr. J. A. Larue.

Dr. Matthew Wallace, of Mill Point, who has been very ill is better, but still in a critical condition.

Miss Relia Clark, who has been away for quite a while teaching school, has returned to her home here. J. H. C.

One Henry McDowell, in the employment of the St. Lawrence Lumber Co., was drowned in the Greenbrier river, about a mile above Bird's Mill Dam, on the 26th ult. He was on a log trying to steer it down the river, something he knew but little about, when he was drawn by the current into rough water and, being unable to keep his position on the log, fell off and sank beneath the treacherous waves never to rise again. The river is being dragged for the unfortunate man's body, but up to this time has not been found. He lived in Monroe county, and is about 35 years of age.

Hillsboro still continues to improve. Mr. C. W. Callison is building a large barn, Mr. W. H. Overholt is building a handsome addition to his store building, and the members of the M. E. Church, South, are talking of putting up a fine church. If the church be built, and we have every reason to believe it will be, it will add greatly to the looks and importance of our town. We stand at the head of our county, and many others in the State, for good churches and schools.

We have learned recently that the Farmers' Alliance have rented the old store building, known as the McNeil stand, on Nicholas street, and will put in a stock of goods soon. This is a move in the right direction.

Our prospects for a railroad in the

near future are still good, and we hail it with delight, notwithstanding the fact a few frown upon it. The question has already been asked, "Will a railroad better our condition?" We answer, "Yes," and ask if it will place us in a worse predicament than we are in now. We are for railroads first, last and all the time.

Of the early settlers of Hillsboro there are but 2 living. Dr. Marshall Peyatt and Mrs. A. B. Clark. And three-fourths of the residents of this town, who are heads of families, were not born in this county.

Mr. E. D. Cardwell, who married Mrs. Cynthia McNeill of this place, is lying very ill at his home in Bonhom, Va. Mr. E. W. Hill, of this place, is also suffering from a severe attack of grippe.

Dr. Matthew Walling, of Mill Point, we are glad to learn is in a fair way to recover his health. He has been in a precarious condition for a long while.

Mr. T. M. Auldridge and family, living near here, will leave in a short time for Hotchkiss county, Va., where they expect to make their future home. We

Mr. T. M. Auldridge and family, living near here, will leave in a short time for Botetourt county, Va., where they expect to make their future home. We regret that they are going away, and wish them success in their new home.

Mr. Lanty Lockridge will leave here the 1st of next month for Ord, Neb., where his sons are living. Mr. Lockridge has many warm friends here who will be sorry to see him leave.

There has been a great deal of plowing done here, and large crops will be put out this season. Wheat gives promise now of a fair crop.

In our churches lately we have noticed some of our young people engaged in whispering, laughing and other misbehavior during services. This is very painful and annoying to those who attend worship in its true sense—to those who go in sincerity to listen to the word of God and be benefitted thereby. We hope our young people will bear in mind when attending church the solemn fact they are in the house of God and that any misconduct there will certainly lower them in the estimating of all good people. Gentility, good manners and good breeding are characteristics that are admired everywhere, and nowhere more than in the church. So, then, if you wish to be well thought of and not classed with the ignorant, the vulgar and low-minded, cultivate a spirit of reverance and good manners in the church. You will be better and happier for it.

Hillsboro Male and Female Academy Commencement.

The Commencement Exercises of the Hillsboro Male and Female Academy were held in the Academy building Thursday and Friday, June 18th and 19th. In consequence of the house being too small to accommodate the crowd that usually assembles on such an occasion, notice had been given that only a limited number of people could be entertained, but notwithstanding such notice had been published, the people began coming in from all parts of the county twelve or fifteen hours before the exercises began, and when the hour for opening the doors arrived our little village was crowded with several hundred people.

In order that all might be accommodated, platforms were erected on the outside of the building and the windows were removed, thereby affording at least a partial view of the stage to those outside. The stage was handsomely decorated with pyramids of flowers and wreaths of evergreen, artistically arranged.

Promptly at 8 o'clock Thursday evening the exercises began, opening with prayer by Rev. D. S. Sydenstricker, D. D., after which came the regular pro-

Awarding of Medals.

The debate in which the young ladies contested for a medal was indicative of deep study upon the question. The arguments adduced were very strong on both sides, and scarcely admitted of discrimination, reflecting great credit upon all the participants, but victory could not crown the efforts of both sides, and Miss Gertie Overholt, of the affirmative, was awarded the medal.

Next came the declaimers' contest by eighteen young men. It would be impossible for us to describe the bewildering oratory and eloquence which characterized this contest. The declaimers after painting in flowers of rhetoric the beauties of earth, soared on wings of fancy beyond the skies, reveled amid the stars, and held the audience spell-bound by their grandiloquence and beauty of diction. Again the contest was very close, but Mr. C. M. Anderson came out victorious and secured the medal.

the stars, and held the audience spell-bound by their grandiloquence and beauty of diction. Again the contest was very close, but Mr. C. M. Anderson came out victorious and secured the medal.

It is scarcely worth our while to attempt to say anything in reference to the speeches by Revs. Christopher and D. S. Sydenstricker upon education, especially where they are known— suffice it to say they were masterly addresses, and were listened to with the closest attention.

The afternoon exercises, consisting of calisthenics, drills, marches, &c., were an especially pleasing and entertaining part of the programme. All who participated acquitted themselves most creditably, and showed conclusively that they had received thorough training from the teachers in this line.

The half hour with the little folks was indeed enjoyable, and perhaps the most humorous of the entire exercises. They did nobly and won unbounded applause from the audience.

The half hour with the little folks was indeed enjoyable, and perhaps the most humorous of the entire exercises. They did nobly and won unbounded applause from the audience.

The contest by the Ciceronean Literary Society elicited as much interest as any feature of the programme. The question was one that requires a great deal of thought to be discussed intelligently, and the audience was anxious to know how the young Ciceros would acquit themselves. It was handled in a way that must have gladdened the hearts of the parents of the youthful debaters, and which would have done credit to older and more experienced minds. For an hour and a half they vied with each other for supremacy, and it seemed that both sides must win, but again was the affirmative successful, and the medal was awarded Mr. E. C. Eagle.

After this debate came the awarding

but again was the all-rmativc success-
ful, and the medal was awarded Mr.
E. C. Eagle.

After this debate came the awarding
of medals, which, except those already
mentioned, were given as follows:
Scholarship Medal (Senior Class,) E. C.
Eagle; Music Medal, Miss Virgie Sy-
denstricker; Orthography, Miss Mary
Overholt; Scholarship Medal (Primary
Department,) Miss Eva Moore; Prize
in Penmanship, S. L. Hill; Prize in Or-
thography, Miss Virgie Sydenstricker.

The exercises throughout were inter-
spersed with music; vocal and instru-
mental, led by Mrs. C. A. Brown and
Miss Mary McNeel.

We wish to say, in conclusion, that
the Hillsboro Male and Female Academy
has been quite a success, steadily grow-
ing in favor since its first session. It
is still under the management of Prof.
C. A. Brown, B. A., of Emory and
Henry College, assisted by Miss Grace
Clark, a graduate of Lewisburg Female
Institute. Miss Clark has charge of
the Music Department, and is unques-
tionably one of the best music teachers
in this section of the State. Parents
cannot do better than to patronize this
school, and we trust its future will be
one of great prosperity.

Hillsboro Male and Female Academy.

In another column of this issue will
be found an advertisement of this ex-
cellent school, of which Prof. C. A.
Brown, A. B., a graduate of Emory
and Henry College, Va., is Principal,
with Miss Grace Clark, of Pocahontas
county, a graduate of the Lewisburg
Female Institute, as instructor in mu-
sic. This school is situated in the
pretty little town of Hillsboro, in the
center of the Little Levels valley, one
of the prettiest spots in the State, in-
habited by an intelligent, kind and hos-
pitable people—the town and surround-
ing country forming one of the most
excellent communities in the State.—
Church privileges are ample; a high
moral tone characterizes the commu-
nity; the sale of liquor is unknown,
and Hillsboro has long been an educa-
tional center for the whole county. The
aim of this school is to give the young
men and ladies attending it thorough
training in the classics, sciences, mathe-
matics and higher English courses, and
at a very moderate expense. Prof.
Brown has had an experience of nine
years in the school-room, and his aim is
to prepare the young men who may at-
tend the Academy so thoroughly that
they may easily complete the college
course in two years.

We are having fine weather, and our farmers are rapidly husking out their corn, which is the best they have had for many years.

While handling fire wood one day last week Dr. J. A. Larue twisted his right wrist in such a shape as to break one of the bones. He had the fractured limb set, and, although painful, it is doing well.

Mr. Brainard Bryan met with a painful accident on the 10th inst. He was cutting wood and had his left foot on the stick he was cutting to hold it in place. While in that position he made a miss lick, and cut an ugly gash in his foot near the instep.

Mr. S. H. Clark has dehorned all of his cattle. Dehorning was first introduced here by Mr. F. A. Renick. The good results that have followed it will, we think, insure its general adoption among all of our large cattle raisers.

Mr. C. W. Beard, while out hunting,

has laid away as a trophy of his hunt.

The people of this county are con-
siderably stirred up over the question of
the removal of the Court-house to Mar-
liuton. A great many are in favor of
it, and a great many are opposed to it.
Stump speeches, pro and con, will be
made at every voting precinct in the
county prior to the election, which is
the 8th of December.

Rev. Chris. Sydenstricker is holding
a good, old-time Methodist meeting on
Bruffey's creek. On Friday night last
there were 20 or more penitents, some
of whom could not find places at the al-
tar and knelt in prayer by their seats.
The most intense interest was mani-
fested, and many voices were raised in
shouting. Six conversions have been
reported.

Capt. D. A. Butler, of Hartsville,
was found dead in his room at Mr. J.
C. Lorry's hotel last Friday morning,
about 4 o'clock. On Thursday night
before the time for going to bed he was
engaged in pleasant conversation with
some of the guests of the house, and
did not complain of feeling unwell.—
He beds all with whom he had been
conversing good-night and went to his
room to retire as usual. Not appearing
in the morning at breakfast time Mr.
Lorry went to his room to call him to
breakfast, and found him lying still and
motionless on the floor beside his bed.
Suspecting that something was wrong,
Mr. Lorry hurried from the room and
called in Dr. Patterson and others.—
After an examination he was pro-
nounced dead. An inquest was held
and a verdict given that pleurisy was in
all probability the cause of his death.—
The covers of his bed were turned down

but he hadn't seen in it. He hadn't taken off his clothes, and it is thought that he fell while arranging the covers of his bed and died without a struggle.— Capt. Stofer was 70 years of age. He practiced law in Huntersville for many years, and figured prominently in the affairs of the county. His kindness, scholarly attainments and sterling principles won for him the admiration and esteem of all who knew him, and his sad death cast a gloom over this and the community in which he lived.

Elijah N. Grant, colored, died at his home here on last Sunday, the 22nd, of heart-disease. He was about 35 years of age, of industrious habits and stood well in this community. By hard study he acquired a fair education and for many years taught the colored schools here. He was a notable figure in political affairs and a leader among the colored Republican voters of this district. Peace to his ashes.

Mr. Peter Hill, of Jacox, is badly afflicted with boils. It hardly seems credible, but he has a boil on his right arm that is as large as a goose egg.

A new house has just been completed, and a new plank-walk laid on Nicholas street, which adds very much to the looks of that part of town.

It rained very hard here last Saturday and Sunday. One of our townsmen claims there was a barrel lying in his yard with both ends knocked out, and that it rained in at the bung-hole faster than it would run out at the two open ends.

THE Democratic primary election in New Orleans last Wednesday to elect delegates to the Louisiana State Convention resulted in a sweeping victory for the friends of the lottery. The total vote was 26,785, and the lottery men won by 11,147 majority, carrying every ward. The indications are that Judge S. D. McEnery, who has the support of the lottery element, will be the Democratic nominee for Governor.

about 70 years, hanged herself on the
2nd inst. She was insane and confined
in the jail at Huntersville, awaiting
removal to the Asylum at Weston.—
She manifested no very bad symptoms
until right lately, when she rapidly grew
worse and ended her own life. She was
a good old woman and well thought of.
She has relatives living on the Vine
mountain, near here, and her remains
were taken there for burial.

On last Wednesday Mr. Dick Calli-
son met with a bad accident. He had
been in town making some purchases
and was returning home when the team
he was driving got frightened and ran
away with him, breaking up his wagon
and crippling one of his horses. Mr.
Callison escaped with but slight inju-
ries. His horse, although badly hurt,
he thinks will get well.

There are three or four cases of scar-

the dehorning business, and up to this time has dehorned 1,034 cattle. We wish to correct a statement we made some time ago about his skunkery not being a success. Mr. Renick informs us that he now has it well stocked, and that the carnivorous little animals are in a thriving condition, and he thinks will prove profitable.

Mr. J. W. Jordan has sold one acre of his land near town to Mr. Fenton Chapman for the sum of \$100.

The revival meeting, conducted on Bruffy's creek by Rev. Chris. Sydenstricker, resulted in the conversion of 26 persons.

Mrs. W. W. Beard is attending her father, Mr. Richard H. Gillilan, near Frankford, who is very sick and not expected to live.

Joint discussion here on the 28th of
November between Mr. C. F. Moore
and Rev. Geo. P. Moore, regarding the
removal of the Court-house to Marlin-
ton. While we are not taking sides in
the matter, and have due respect for
"Occasional's" opinions, we must say
that we beg leave to differ with him as
to the discussion. For most certainly
Rev. Geo. P. Moore was the man who
made the telling speech on that occa-
sion. "Occasional" was right when
he spoke of him as a speaker of expe-
rience and acknowledged ability, and the
reasons he gave for the removal of the
county-seat were good ones and of far
greater importance than those set forth
by his opponent, Mr. C. F. Moore. Un-
derstand, we do not speak disparagingly
of Mr. C. F. Moore. His argument
was good, what there was of it. Four-
fifths, at least, of the large audience
who heard both sides of the question,
and many of whom were men of sa-
gacity, judgment and experience, and
swayed by no prejudices, will bear us
out in our statement.
